Malibu Cantilever Umbrella

Belgian quality and design

- Wind rated to 35kph, perfect for most residential outdoor areas.
- Fully water resistant Sunbrella fabric canopy with a UPF rating of 50+.
- Quality marine grade aluminium mast and ribs, anodised colour.
- 2 year warranty on frame and canopy.
- Comes with a great looking and sturdy 120kg granite base on stainless wheels (extra weight can be added).
- 360 rotational with a simple foot pedal.
- Easy wind up or down in under 10 seconds.
- Side to side tilt up to 30°. Such a huge advantage with the moving sun.
- Infinite different lockable tilt positions – combine this with the easy to move base – perfect shade option.
- Umbrella comes standard with protection cover with optional 120kg base with wheels.
