Wedge

tail

Passion led us here

Designed in Cape Town South Africa, the Wedge-tail outdoor barbecue cooker is made with only top quality products.

Its modern design is thanks to constant collaboration with our customers.

The satisfaction of our customers is our main goal and we are working every day to establish quality and long-term relationships with them, whose trust we gain with the consistent quality of our products.

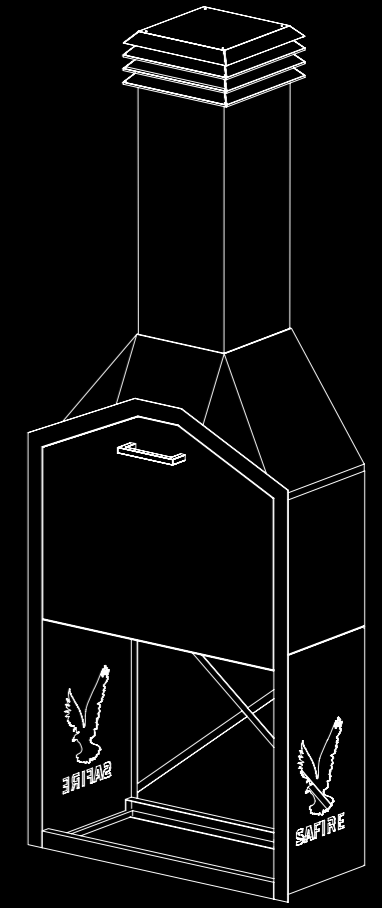

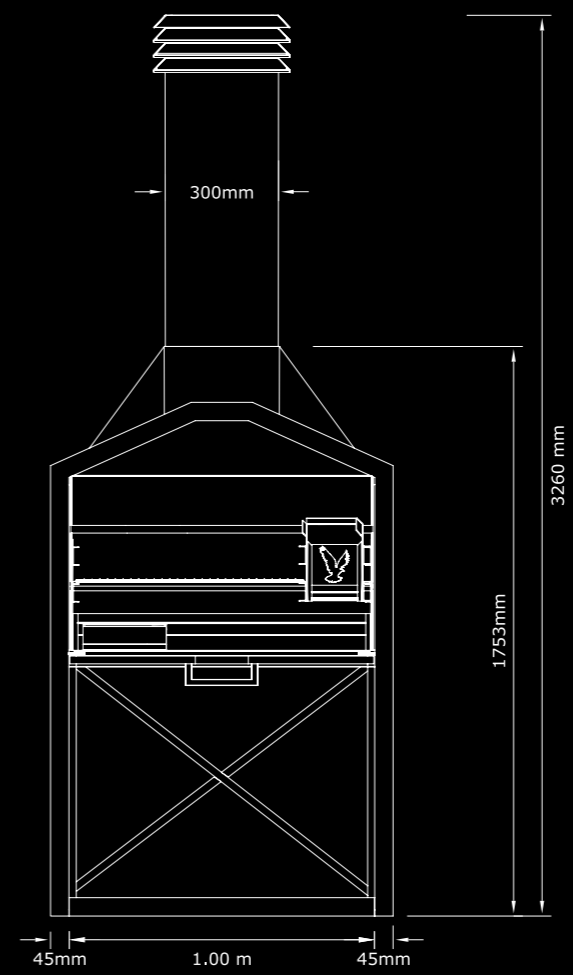

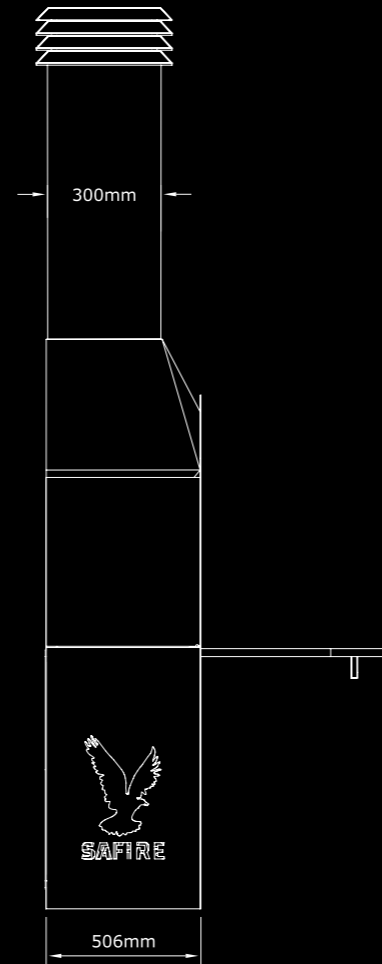

The Wedge-tail Accessories to match

This outdoor barbecue cooker, draws its inspiration from the Wedge-tail Eagle, tough and durable, built for the Australian and New Zealand climate, made from stainless steel and coated in an additional black weatherproof coating in honour of its name sake.

With all the very latest in cooking attachments to make your outdoor barbecue come alive with recipes you've always wanted to master.

With stainless grill, skewer, pan and pizza oven attachments as standard, and an optional rotisserie attachment, you will be the envy of your family and friends and the King and Queen of your outdoor domain.
